Senior Class History

On September 1, 1948, forty-six rather new-fledged children entered the domain of our school for the first time. Miss Vanhook had a hard time convincing us that we couldn't talk just when we felt like it. However, in a very short time, we settled down to positive year-out hard work.

The following year, we entered the second grade under Miss Verna Yoder. How we enjoyed the spellbooks she gave us each week. Hence we passed to the third grade, where our teacher was Miss Joe Hooley; we all remember as well the "buggy track" stories she read to us. Miss Helen Yoder, our fourth grade teacher, let us build houses in sand tables which we proudly showed off to the other classes. In the fifth grade, we thought we were just the stuff, for we put on numerous little plays with the help of our teacher, Mrs. Valentine. By the time we reached the sixth grade, our class was growing so large that we had to be divided. Mr. Hanspenger and Mr. Lauer took turns in teaching our two classes.

The next September, we found ourselves in junior high school. On the first day, we had to decide whether our way from class to class, but it wasn't long until we caught on. We elected officers for the first time that year. Rae Ann Fike, President; Tom Miller, Vice-President; Leroy Shaffer, Secretary and Treasurer; Joanne Plank, Reporter. Mr. Kutz was our sponsor. We had ten members during the first, but our class was still large with forty-seven members.

Starting off with a change in the eighth grade, we elected Woody Immel as our sponsor; Jerry Lindor, President; Arda Miller, Vice-President; Grace Schrock, Secretary; Freddie Kniffman, Treasurer; Bob Hunt, Reporter.

The next year, we excitedly entered high school with forty-two members on the roster. Our class officers were Grace Schrock, President; Roger Kandy, Vice-President; Mary Griffin, Secretary; Tom Miller, Treasurer; Rae Ann Fike, Reporter. Mr. Hener and Miss Rupp were chosen as our sponsors. Norman, Nellie, and Marjorie were our S. V. S. representatives.

Twenty-seven students came back the next year to enter the sophomore class. Marjorie Miller was elected President; Marlene Yoder, Vice-President; Nellie Miller, Secretary; Bill Bradshaw, Treasurer; Joanne Plank, Reporter; Norma, Bob Hooley, and Betty Kover were our S. V. S. representatives. Our sponsors were Mr. Young, and Miss Yoder.

As juniors, we had many good times selling magazines and greeting cards. Our favorite play "Cheaper by the dozen", drew a record line-up crowd. Numerous sweaters and rings came early in the year. In May, we gave the seniors a banquet in Potawatomi Inn at Pokagon State Park. Tom Miller acting as toastmaster. Our class officers were as follows: Bill Bradshaw, President; Tom Miller, Vice-President; Roger Kandy, Secretary; Joel West, Treasurer; Marjorie Miller, Reporter. Miss Shoup and Mr. Yarnik were our sponsors. Joanne, Tom, and Bill B. were our S. V. S. representatives.

We entered the Senior class with twenty-one members, adding one new member, Don Kiefer, during the year. Our officers are Joel West, President; Norman Gibson, Vice-President; Grace Schrock, Treasurer; Joanne Plank, Secretary; Marjorie Miller, Reporter. Miss Shoup and Mr. Yarnik are again our sponsors. Our S. V. S. members are Marlene, Dick, and Bill Bradshaw, the latter being president of the organization. We plan on another successful play this year with the help of Miss Shoup. "The Heidi" too. We are looking forward to the annual banquet, and our senior trip to Washington, D. C., and our graduation. We all hate to leave good Old M. H. S., but we realize we no longer will be students, just citizens who go out into the world to discover the law and the country.

Last Will and Testament of The Class of '52

We, the Class of 1952, hereby declare ourselves in a state of bankruptcy. Being as sane as we'll ever be, leaving the nuts of M.H.S. forever. We hope the unfinished business we left will soon be done, and we do hereby declare this our last Will.

As a class, we do hereby bequeath to the faculty the following:

To Mr. Young our individual class records.
To Mr. Yacuk the ability to quiet our class at class meetings.
To Mr. Biddle our full support at future games.
To Mr. Diener all the test tubes we broke in chemistry.
To Mr. Kurtz all the corridor passes from study hall.
To Mr. Albrecht the knowledge you gave us in government.
To Mrs. Lounsbury the correct English we use.
To Mrs. Delgado the wonderful meals served in the cafeteria.
To Miss Hoover our typing abilities.
To Miss Shoup the headaches we caused you during play practices.
To Miss Yoder and Mr. Lawson our music talents.
To Mrs. Garber all the excuses you had to write for us.

As individuals, we feel we should leave some things to our loyal and trusted schoolmates. We will the following to the Junior class:

Senior Class Prophecy

It is the year 1998, and we are looking in on the proud possessors of a check for \$10,000. We see that the proud and happy couple is Mr. and Mrs. Robert Host. Mrs. Host is the former Carol Cummings. The check they just received is for the copyright on their new book, "Cheaper By The Cross" or "How To Run An Orphanage On The Lowest Possible Capital."

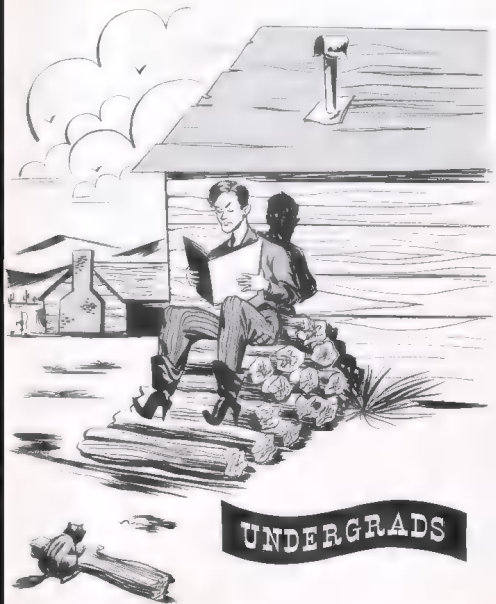

They immediately pack their baggage and take the bus direct from their front door to the New York Central Depot. They see that the baggage porter is no other than Larnel Steele. Larnel is working at the depot to help pay his 1967 income taxes. Larnel was given the job by the president of the C. J. O., Joel West. Larnel was given the job as a reward for helping Joel design a new type of "union suit."

They are now greeted by the engineer of the train, Norman "Neser Two Accidents in the Same Week" Eaton. Norman is a perfect of "A Rounding Wreck from Georgia Tech, and a Heck of an Engineer." On their way to the diner, they have to go through the hospital car. There they are astounded to see Hal Bradshaw, the winner of the Madam Curie Award for curing smokeless-smoked sausage. It seems that Brady had a little accident while working on his experiments. He tried to pour a little too much zinc down the flue tube at one time and suffered the explosive results. What surprises them most is the fact that he is suspended head down from the ceiling. It is soon understandable though when they find out that his nurse is no other than Rae Ann Eike. Rae is a graduate of St. Mary's School of Nursing. She was the only graduate to have had five years of experience as a senior.

Upon arriving in Chicago, they decide to see a baseball game between the White Sox and the Cubs. Tom Miller is starting catcher for the Cubs and Roger is hitting shortstop for the Sox. The owner of both ball clubs is Randall "Fireball without any Oxygen" Mauck. Mauck has the privilege of being the owner of the clubs that are in first and last places. And again today the Sox push the Cubs farther into the cellar with a 14 to 3 victory.

They now take a plane to Detroit, Michigan. The pilot of their plane is no other than Donald "Nosedive" Fisher. Don has received his license from the chairman of the ground forces of the U.S. Air Force. Why no one is able to understand, because he has had an average of $3\frac{1}{2}$ forced landings per week, and all of them have been on the top of the Wrigley building where Miss Marjorie Miller is working as a secretary for the United Air Lines.

After a reasonable safe trip, they get off the plane at the Detroit field. There they see Bob Huoley of the Midwest Huoley Produce Company. He is just about ready to take off with another plane load of chickens that he is flying to Brazil. The cab that they take down town is driven by Elmer "The Flying Dutchman" Miller. In the next five minutes, they cover the fifty miles to the business district in no time flat.

Freshman Class

In 1943, forty-five eager boys and girls entered the first grade under the care of Miss Jennie Mast. Only sixteen of these forty-five are in the present Freshman class.

In our education, we have had Miss Jennie Mast, Miss Alberta Augsburg, Miss Jay Hooley, Miss Rhea Yoder, Mrs. Gail Morrison, and Mr. A. W. Huntsperger for grade school teachers.

We entered Junior High in 1949 and elected seventh grade officers as follows:

President - Marlene Yoder
Vice-President - Vernon Kauffman
Secretary - Gayle Albert
Treasurer - Jelon Buechel
S. O. S. Representatives - Ruth Hostetler and
Lester De Miller

In the eighth grade we elected the following officers:

President - Lorraine Kauffman
Vice-President - Barbara Yoder
Secretary - Joyce Muckler
Treasurer - Lester Miller
Reporter - Ellen Yoder
S. O. S. Representatives - Gayle Albert and
Vernon Kauffman

We started our Freshman year with thirty-two members. Our officers are:

President - Marlene Yoder
Vice-President - Vernon Kauffman
Secretary - Barbara Yoder
Treasurer - Joyce Muckler
S. O. S. Representatives - Gayle Albert and
Joni Matison
Reporter - Lorraine Kauffman
Foghorn Reporter - Stella Mecum
Sponsors - Miss Virginia Yoder and Mr. Russell
Kurtz

We are very happy to have six girls from our class chosen for SixTeens. They are Ellen Yoder, Jelon Buechel, Betty Lou Miller, Stella Mecum, Gayle Albert, and Jose Anna Tressler.

The Freshman class started off with a bang by undertaking the job of making banners for the first home basketball game.

We are looking forward to becoming upperclassmen.

TOM MILLER

Tom, who has played regular guard on the Middie team for the past four seasons, is one of the outstanding players in Elkhart county. He stands about 6 feet and weighs about 250 pounds. Tom was chosen on the all County team for the past three seasons. He certainly will be missed and hard to replace on the squad.

RANDALL ABADON

Randy, who played center for the Middies the past year, was very effective and accurate on any shot he took from any place on the floor. Randall was one of the team's outstanding rebounders. Randall, one of the taller boys will leave a place which will be hard to fill.

ROGER KENDY

Roger, who stands but five feet and eight inches tall, was switched from his family guard spot to forward, found the range, and was very dangerous from far out on the floor. Roger is a Senior, and he will be missed tremendously. Rog will always be known for his ability to hit those ranges one-hand shots.

BOB HURLEY

Bob, a senior who saw considerable action, was a player who could come into a game, start and tear right into it. His ability to do this helped the Middies in several tight spots.

TONY KAUFMAN

Tony, a Junior who played some outstanding basketball for the Middlebury Middies, was one of the county's trickiest forwards, and was a great aid to the Middies in many big games. Tony will be back to spark the Middies again next year.

RICH MILLER

Rich, the shortest and fastest man on the squad, although not a regular, was a very capable sub to replace anyone in the team. Rich is a Junior. He also will be back next year.

MERLIN MOCKLER

Merlin, a Junior guard who was also a mainstay in the lineup, was very accurate on his shot from behind the foul lane, and also was a very capable rebounder. Merl will also be back next year.

LOWELL BAER

Lowell, who saw limited action, was very capable of playing good ball when called upon to come in and replace someone. Lowell is expected to develop into one of the Middies' mainstays next year.

GEORGE TRUMP

George, the tallest man on the squad, and who also is a Sophomore, played varsity ball at the last of the year, and showed promise at becoming one of the Middies best ball players next year.

GLADEN FOSCHROCK

Gladden, an excellent two-handed shooter who is only a Sophomore, played many noteworthy games for the Midshipmen. Gladden is expected to show two more successful years of basketball.

Dad, who is a time saving economist, has complete control over his family. He enforces the rules from "taking a bath in the time it takes to change a record" to the wearing of long, black, cotton stockings. Every thing moves along smoothly, until Anne gets the bright idea of wearing teddies and silk stockings. Of course, Dad blows up at this idea but is finally calmed down by Mother, a gracious woman who also is a psychologist. There is quite an uproar when Anne unintentionally cheats on an exam which is caused, according to Dad, by the boy she has been dating. It's all straightened out and Dad leaves for a Management Conference in Europe leaving Mother chairman of the family council.

Whether It Is in The Bank or In The Water For A Day, A Week,
Or A Month - Your Pioneer Is Always Ready!

Enjoy the convenience of stepping into your boat and using it at a moment's notice - no soaking to close up seams, no caulking or patching as is required with wooden boats - - Or leave it in the water indefinitely and be entirely free from care--because it can not water-log or rot.

Enjoy too, that carefree feeling of security in knowing that your boat is not only non-sinkable, but that in an emergency it is ready to act as a life raft for its passengers as well.

Your Pioneer boat has behind it thirty years of metal boat building experience - thirty years of constant improvement in quality, design, and workmanship.

Just an occasional touch of paint and your Pioneer will give you a lifetime of safe, carefree boating enjoyment.
